小林 健二 日本将棋連盟棋士九段 より

日頃より NPO 法人将棋を世界に広める会の皆様にはお世話になりありがとうございます。世界的なコロナによりこの3年近く海外での活動が大きく制限されましたが、ようやく終息の光が見えてきました。日本将棋は世界に誇れる文化であり、これからも日本国のみならず世界中の皆様楽しんでいただけるゲームと信じています。

この度役員皆様のご尽力により世界子供団体戦が開かれることとなり本当に嬉しく思います。日本将棋を通じて、お互いの文化を知り、新たな友人が生まれる

ことにも期待できます。きっと世界中の子供たちの思い出となり、プロ棋士を目指す少年も出てくることでしょう。日本将棋を通じて世界が平和になることを望んでお祝いの言葉とさせていただきます。

Message from Mr. Kenji KOBAYASHI

Professional Shogi Player, 9-dan
Japan Shogi Association (Nihon Shogi Renmei)

Thank you very much for continuous contribution of the International Shogi Popularization Society (ISPS).

For the past three years, its overseas activities have been greatly restricted due to the global pandemic of COVID19. But we can finally see the light of the end of the situation. I believe that Shogi is a culture that we Japanese can be proud of in the world and that Shogi will continue to be a game that can be enjoyed not only in Japan but also in the rest of the world.

I am very happy that the World Inter-City Children's Shogi Team Competition will be held thanks to the efforts of the ISPS board members. Through playing Shogi, we can expect to learn about each other's culture and make new friends. I am sure that this will be a memorable experience for children all over the world and that some of them will aspire to become professional Shogi players. I would like to congratulate you in the hope that Japanese Shogi will bring peace to the world.
